# CALCULATION OF DIVISIONS AND HIGH POINT AWARDS

Hunter/Jumper/Pleasure Division Placements and High Point calculation:

First	10	
Second	6	Ties broken by:
Third	4	Most blue ribbons, then
Fourth	2	Most horses beat, then
Fifth	1	Over fences classes, then
Sixth	0.5	Special or Handy class

For Dressage: High Point will be based on the best single test per horse/rider combination.

Division placements will be based on the average of the two tests. In case of a tie, the horse/rider with the highest single score is the winner; if the highest scores are the same, the next highest scores will be considered until the tie is broken. For CT: High Point is given to highest placed eligible horse in each Division. Division placements will be based on the horse's placing in the CT division.

#### COMPETITIVE TRAIL DIVISION SPECIFICATIONS Lexington, Kentucky

The purpose of the competitive trail divisions is to demonstrate a horse's ability to be a trail horse, capable of maneuvering through a course of obstacles with physical skill, expression and a good mental attitude. You are being judged on your partnership with your horse. Your horse will be judged on attitude and performance. High scores are achieved by negotiating and completing obstacles smoothly, with balance and even cadence, surefootedness, and confidence. An ideal trail obstacle horse is one that is confident and willingly responds correctly to the rider's cues. Ultimately, the trail horse is skillful, eye appealing, confident, and leaves one with the impression of being sure, safe and a pleasure to ride over a course of obstacles. Major penalties may be assessed for performance of obstacles out of sequence, mistreatment of horses or going off course. In the mounted division, if a rider becomes dismounted and/or the horse runs loose, the horse is disqualified for that course. In the in-hand division, if the horse runs loose, the horse is disqualified for that course.

Horses will complete a course of eight (8) obstacles individually within a maximum time that will be provided based on the course design. Horses will need to be prepared to encounter a variety of obstacles including, but not limited to, water crossing, dragging items, challenges to visual perception (e.g., water box), challenges to tactile stimulation (e.g., pool noodles, cowboy curtains), tests of surefootedness (e.g., bridges, raised poles), tasks while riding (e.g. mailboxes, picking up and carrying items), mounting/dismounting, backing, sidepassing, turns, and encounters with objects. Horses may be cross-entered in the Mounted and In-Hand divisions. Horses are not allowed within 100 feet of any obstacle in advance of their ride. No schooling of obstacles is permitted at any time. A list of potential competition obstacles will be made available by July 1 at <u>www.tictip.com</u>.

## T.I.P. PERFORMANCE AWARDS:

#### THE THOROUGHBRED INCENTIVE PROGRAM'S YEAR END "POINTS" PROGRAM

The T.I.P. Performance Awards are the year-end, self-reported competition awards of The Jockey Club Thoroughbred Incentive Program. The Performance Awards are **completely self-reported** by the Thoroughbred's owner or rider based on their participation in all shows and competitions. The awards recognize the Thoroughbreds accumulating the most points in each of the 13 categories and over 80 divisions, as well as Junior Riders and horses adopted from accredited aftercare organizations. To encourage the retraining of Thoroughbreds into other disciplines upon completion of their racing career, three categories and 12 divisions are limited to horses in their first two years off the racetrack.

Interested in participating in the Performance Awards?

Start out by reading the information at <u>www.tjctip.</u> <u>com/About/TBPAFI</u>.

The Performance Award Year is December 1 through November 30. Thoroughbreds accumulate points at all horse shows, horse trials, and other horse events. Shows must be recognized by an international, national, state or local organization and must be open to all participants. Horse shows do not have to offer T.I.P. awards to be included in the Performance Awards. All results and miles reported by owners and riders must be supported by horse show or competition results and will be verified by T.I.P. Only verified points and miles will be counted toward the Performance Awards. If results or mileage cannot be verified, the points will not be counted toward the award.

IT IS THE SUBMITTING OWNER'S OR RIDER'S RESPONSIBILITY TO PROVIDE VERIFICATION.

Performance Award points can be submitted electronically through your online account at <u>www.</u> <u>tjctip.com</u> or on paper forms. All forms and supporting documentation must be submitted by December 20.

## THE U.S. EVENTING ASSOCIATION'S AMERICAN EVENTING CHAMPIONSHIPS

## August 30–September 4 Rebecca Farm, Kalispell, Montana

The USEA American Eventing Championships (AEC) are the pinnacle of the sport for the national levels. This ultimate test of horse and rider draws hundreds of horses and riders from around the country to compete for fabulous prizes, a piece of the substantial prize money, and the chance to be named the National Champion at their respective levels.

As a Silver Level Sponsor of the 2022 USEA American Eventing Championships, The Jockey Club awards Thoroughbred Incentive Program (T.I.P.) prizes for all AEC divisions for Champion and Reserve Champion Thoroughbred winners. T.I.P. was created to recognize Thoroughbreds that are exceling in a second career upon completion of their racing career, and the AEC lends the optimal platform to recognize those Thoroughbreds that are exceling in eventing. Further, the recognition of Thoroughbreds also rewards the owners and trainers who have chosen to retrain a Thoroughbred.

## USEA YOUNG EVENT HORSE AND FUTURE EVENT HORSE CHAMPIONSHIPS

The United States Eventing Association (USEA) Young Event Horse (YEH) Program was first established in 2004 as an eventing talent search. Much like similar programs in Europe, the YEH program was designed to identify young horses that possess the talent and disposition to, with proper training, excel at the uppermost levels of the sport. The ultimate goal of the program is to distinguish horses with the potential to compete at the three- and four-star levels, but many fine horses that excel at the lower levels are also showcased by the program.

The Jockey Club Thoroughbred Incentive Program provides High Point Thoroughbred Awards at the American Eventing FEH and YEH Championships.

## 2022 DUTTA CORP. USEA YOUNG EVENT HORSE CHAMPIONSHIPS: EAST COAST CHAMPIONSHIPS

at the Maryland 5\* at Fair Hill, Elkton, MD October 13-14, 2021

#### WEST COAST CHAMPIONSHIPS

at Twin Rivers Ranch in Paso Robles, CA October 28-29, 2021 The YEH program provides an opportunity for breeders and owners to exhibit the potential of their young horses while encouraging the breeding and development of top event horses for the future. The program rewards horses who are educated and prepared in a correct and progressive manner. At Championships, young horses are also evaluated on their conformation in addition to the dressage test and jumping/galloping/ general impression phase. To learn more about the YEH program, visit <u>www.useventing.com/competitions/YEH</u>

The USEA introduced the Future Event Horse (FEH) program in 2007 as a pilot program in response to the popularity of the YEH program. Where the YEH program assesses 4- and 5-year-old prospective event horses based on their performance, the FEH program evaluates yearlings, 2-year-olds, 3-year-olds and 4-year-olds for their potential for the sport based on conformation and type. Horses are presented in hand and divisions are separated by year and gender. At the Championships, 3-year-olds are also required to demonstrate their potential over fences in an additional free-jump division. To learn more about the FEH program, visit www.useventing.com/competitions/FEH

The purpose of the YEH and FEH programs fits well with T.I.P.'s goal of encouraging the retraining of Thoroughbreds upon completion of their racing or breeding careers. The education and preparation Thoroughbreds receive at the racetrack and in the sales ring contributes to their success in the program's evaluation. Recognizing that the YEH and FEH Programs offer a fantastic platform to promote their common goal with the USEA, The Jockey Club's Thoroughbred Incentive Program (T.I.P.) offers T.I.P. high point awards at the YEH Championships and FEH Championships.

The T.I.P. Youth Ambassador Program is offered on an annual basis to young riders who own or lease a Thoroughbred and have actively participated in T.I.P. sponsored shows, classes, or award programs. A Youth Ambassador's role is to positively represent T.I.P. and the Thoroughbred breed at his or her local barn, shows, competitions, or any other activities in which he or she may participate.

HOW TO APPLY

To apply to be a T.I.P. Youth ambassador you must meet the following criteria:

- Age: 18 years old or younger (as of January 1st of the ambassador year)
- Reside in the U.S. or Canada
- Own or lease a Thoroughbred with a registered T.I.P. number
- Participate in T.I.P. (Non-competition award applicant or participation in T.I.P. sponsored shows or classes)

## DIGITAL CERTIFICATES OF FOAL REGISTRATION

Beginning with foal crop of 2018, The Jockey Club began issuing digital Certificates of Foal Registration instead of paper certificates. In order to receive a digital Certificate of Foal Registration from The Jockey Club or any other individual, race track or sales company, one must have an active Jockey Club Interactive Registration (IR) account. If you have a T.I.P. number for your horse(s), you already have an IR account and will be able to receive and assign digital certificates. If you do not have an account, simply sign up at www.registry.jockeyclub.com. The process is easy and the account is free.

To determine the current certificate manager/holder for any Thoroughbred foaled in 2018 or after, users will log on and check REGISTRATION STATUS from the homepage of your IR account. To receive a Certificate of Foal Registration, the current certificate manager must assign the certificate from their IR account to the new owner's IR account. The process is easily accomplished in minutes from your smart phone, tablet, laptop or PC with an internet connection. Once completed, the new certificate manager receives an email from Registry Alert, notifying them of the assignment. When you log on to your Jockey Club Interactive Registration account, you will see an option under DIGITAL CERTIFICATES labeled CERTIFICATE MANAGEMENT that will display the certificates currently assigned to your Interactive Registration account. Digital Certificates are not available for horses foaled prior to 2018.

For purposes of eligibility for all T.I.P. classes and awards, a "Thoroughbred" is defined as any horse that has been registered with The Jockey Club or a foreign Thoroughbred stud book recognized by The Jockey Club. In order to participate in a T.I.P. class or be eligible for a T.I.P. award, owners and riders must obtain a T.I.P. Number.

#### THOROUGHBRED RECREATIONAL RIDING INCENTIVE PROGRAM
