

2023 T.I.P. Performance Awards Status

The following list (*beginning on page 4*) contains horses with Performance Award entries as of December 6, 2023. The far right columns indicate if we have received an entry online, hardcopy forms via mail and/or hardcopy result verification.

If there is a number beside your horses name in the columns labeled “Action Required” then there is an issue with your entry. The color coded number key below explains the issue with your entry that requires action from you PRIOR TO DECEMBER 20, 2023.

Additional information related to the issues is included below the table key for reference, and all information can be found on the website at the following links: tjctip.com/About/CATDIV and tjctip.com/About/TBPAFI. The easiest way to review your online entries is to log into your account, click Performance Award Entry, click Continue through the contact form and then on the log page, click PRINT CSV REPORT. If you are not able to determine the issue based on the information provided and after reviewing your entries, email T.I.P. for clarification no later than December 18, 2023.

THIS STATUS REPORT MAY NOT CONTAIN ALL ERRORS AND ISSUES; THE SUBMITTING OWNER OR RIDER IS RESPONSIBLE FOR VERIFYING THE ACCURACY AND COMPLETENESS OF THEIR OWN REPORTING.
