IMPORTANT INFORMATION: Show Management reserves the right to combine, split, cancel, limit or move classes and divisions as entries warrant, which could mean divisions may change days on which they run or rings in which they are held. Classes may not necessarily be run in the order listed in the class lists. It is the responsibility of the rider to inform the show secretary of any time conflicts as soon as possible after receiving the schedule. Management reserves the right to change officials, limit entries or divisions, combine or cancel classes, modify the schedule, and to modify or cancel awards and/or make whatever changes are required by circumstances to the competition specifications listed herein. Show Management reserves the right to cancel classes insufficiently filled and to refuse or require withdrawal of an entry for cause deemed sufficient by Show Management. Changes will be posted in the Facebook event, sent via email to the email on the entry form and posted in the show office. Show Management reserves the right to interpret all questions and conditions in regard to or arising out of, or incident to, the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by the Horse Show Management; their decision to be final.

TREATMENT OF HORSES: Show Management will enforce the fair and humane treatment for all horses participating in the Thoroughbred Incentive Program (T.I.P.) Championships. Show management expects all horses to be fit to show and dismissals for unfitness or lameness are at the judge's discretion and are final.

PARTICIPATING RIDER CODE OF CONDUCT: The Jockey Club (TJC) expects appropriate behavior from all riders, trainers, spectators and others participating in any TJC event, including events held in conjunction with TJC events. Inappropriate behavior may include, but is not limited to: possession, use or distribution of any illegal drugs; profanity, vulgar language or gestures; harassment (i.e., using words or actions that intimidate, threaten or persecute others before, during or following The Jockey Club activities); failure to follow rules; and abusing a horse. Reports of inappropriate code of conduct may be made at any time to the Show Manager via email, text, phone call or in-person. Any verbal or physical act of discourtesy toward a judge, show official, volunteer, show staff or TJC staff member on the part of a trainer, owner, rider, handler, groom, family member or person associated with an entry is a violation of the Code of Conduct. Persons found by Show Management to be in violation of this Code of Conduct will be unable to participate in the remainder of the show, will forfeit all fees and awards from previous classes and divisions, and will be ineligible to show at the T.I.P. Championships in 2024, and/or at events held in conjunction with T.I.P. Championships and/or T.I.P. Championships in future years.

HIGH POINT AWARDS

High Point AA and Junior Rider awards will be awarded in every Division except the English Pleasure Divisions and In-Hand.

- a. Junior Rider – riders 18 years of age and under as of January 1, 2024.
- b. AA – Adult Amateurs only. For details on what constitutes Amateur status, please visit www.usef.org.

Additional High Point awards may also be offered, including for horses adopted from organizations currently accredited by the Thoroughbred Aftercare Alliance (TAA), RRP Thoroughbred Makeover alumni or 2024 RRP Thoroughbred Makeover entered horses. For High Point awards crossing divisions, awards will be calculated based on division placing and number of horses beat.

IMPORTANT - In order to be eligible for AA, Junior, or RRP High Point awards, the status MUST be listed on the 2024 Declaration Form or Hardship Request Declaration Form. In order to be eligible for the TCA/TAA adoption class and TAA high point awards, the horse’s eligible adoption organization MUST be listed on the 2024 Declaration Form or Hardship Request Declaration Form. It is the owner or rider’s responsibility to indicate a horse or rider is eligible for ANY of these awards. Failure to indicate eligibility for each High Point award (including Junior riders) on the Declaration Form or Hardship Request Declaration Form will result in exclusion of horse and/or rider from calculation of the High Point awards.

CALCULATION OF DIVISIONS AND HIGH POINT AWARDS

Hunter/Jumper/Ranch/Pleasure Division Placements and High Point calculation:

First	15		Seventh	3	Ties broken by: <ul style="list-style-type: none"> • Most blue ribbons, then • Most horses beat, then • Over fences classes, then • Special, Handy, Ranchmanship or Horsemanship class
Second	10		Eighth	2	
Third	8		Ninth	1	
Fourth	6		Tenth	.5	
Fifth	5				
Sixth	4				

For Dressage: High Point will be based on the best single test per horse/rider combination.

Division placements will be based on the average of the two tests. In case of a tie, the horse/rider with the highest single score is the winner; if the highest scores are the same, the next highest scores will be considered until the tie is broken.

- For Divisions where multiple levels are combined (FEI, Western), when calculating the Division awards, points will be added to the final percentage score based on the degree of difficulty of the test as follows:
 - Western Dressage Basic Level, Intermediate I = +1
 - Western Dressage Level 1, Intermediate II = +3
 - Western Dressage Level 2 or 3, Grand Prix = +5
 - Western Dressage Level 4 or 5 = +7

For CT: High Point is given to highest placed eligible horse in each Division. Division placements will be based on the horse’s placing in the CT division.

For Competitive Obstacle Trail: Placements and High Point calculation: High Point and Division placements will be based on combined score of the two courses. Ties will be broken by tie-breaker obstacles (up to 3).

DOGS: Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dogs' behaviors. Failure to maintain your dog, under control, as defined here, will result in a \$100 fine assessed to the owner. In addition, pursuant to facility regulations, loose dogs may be removed from the show grounds at the owner's expense and impounded by animal control.

No obstructions or projections shall be allowed in these aisles. No Class I Flammable liquids such as gasoline are allowed inside the buildings. Cooking is not permitted within the stable area. Anyone found in violation shall be subject to dismissal from further participation in the horse show without recourse.

The purpose of the competitive obstacle trail division is to demonstrate a horse's ability to be a trail horse, capable of maneuvering through a course of obstacles with physical skill, expression and a good mental attitude. You are being judged on your partnership with your horse. Your horse will be judged on attitude and performance. High scores are achieved by negotiating and completing obstacles smoothly, with balance and even cadence, surefootedness, and confidence. An ideal competitive obstacle trail horse is one that is confident and willingly responds correctly to the rider's cues. Ultimately, the trail horse is skillful, eye appealing, confident, and leaves one with the impression of being sure, safe and a pleasure to ride over a course of obstacles. Major penalties may be assessed for performance of obstacles out of sequence, mistreatment of horses or going off course. In the mounted division, if a rider becomes dismounted and/or the horse runs loose, the horse is disqualified for that course. In the in-hand division, if the horse runs loose, the horse is disqualified for that course. Horses will complete a course of eight (8) to ten (10) obstacles individually within a maximum time. Horses will need to be prepared to encounter a variety of obstacles including, but not limited to, water crossing, dragging items, challenges to visual perception (e.g., water box), challenges to tactile stimulation (e.g., pool noodles, cowboy curtains), tests of surefootedness (e.g., bridges, raised poles), tasks while riding (e.g. mailboxes, picking up and carrying items), mounting/dismounting, backing, sidepassing, turns, and encounters with objects. Horses may be cross-entered in the Mounted and In-Hand divisions. Horses are not allowed within 100 feet of any obstacle in advance of their ride. No schooling of obstacles is permitted at any time.
