For Dressage: High Point will be based on the best single test per horse/rider combination.

Division placements will be based on the average of the two tests. In case of a tie, the horse/rider with the highest single score is the winner; if the highest scores are the same, the next highest scores will be considered until the tie is broken.

For Divisions where multiple levels are combined (FEI, Western), when calculating the Division awards, points will be added to the final percentage score based on the degree of difficulty of the test as follows:

- Western Dressage Basic Level, Intermediate I = +1
- Western Dressage Level 1, Intermediate II = +3
- Western Dressage Level 2 or 3, Grand Prix = +5
- Western Dressage Level 4 or 5 = +7

For CT: High Point is given to highest placed eligible horse in each Division. Division placements will be based on the horse's placing in the CT division.

For Competitive Obstacle Trail: Placements and High Point calculation: High Point and Division placements will be based on combined score of the two courses. Ties will be broken by tie-breaker obstacles (up to 3).

### *The Foremost in Funding Equine Research*

In 2016, Grayson helped pioneer the first research utilizing positron emission scans in the horse.

A standing PET scan enables safe imaging of the equine distal limb without general anesthesia.

Within minutes, the scan can help characterize sub-chondral lesions of the fetlock and sesamoids along with other causes of lameness.

By 2025, there will be more than a dozen machines for use in North America.

Just one way Grayson is helping turn research into answers!

# COMPETITIVE OBSTACLE TRAIL CHAMPIONSHIP DIVISION SPECIFICATIONS

The purpose of the competitive obstacle trail division is to demonstrate a horse's ability to be a trail horse, capable of maneuvering through a course of obstacles with physical skill, expression and a good mental attitude. You are being judged on your partnership with your horse. Your horse will be judged on attitude and performance. High scores are achieved by negotiating and completing obstacles smoothly, with balance and even cadence, surefootedness, and confidence. An ideal competitive obstacle trail horse is one that is confident and willingly responds correctly to the rider's cues. Ultimately, the trail horse is skillful, eye appealing, confident, and leaves one with the impression of being sure, safe and a pleasure to ride over a course of obstacles. Major penalties may be assessed for performance of obstacles out of sequence, mistreatment of horses or going off course. In the mounted division, if a rider becomes dismounted and/or the horse runs loose, the horse is disqualified for that course. In the in-hand division, if the horse runs loose, the horse is disqualified for that course. Horses will complete a course of eight (8) to ten (10) obstacles individually within a maximum time. Horses will need to be prepared to encounter a variety of obstacles including, but not limited to, water crossing, dragging items, challenges to visual perception (e.g., water box), challenges to tactile stimulation (e.g., pool noodles, cowboy curtains), tests of surefootedness (e.g., bridges, raised poles), tasks while riding (e.g. mailboxes, picking up and carrying items), mounting/dismounting, backing, sidepassing, turns, and encounters with objects. Horses may be cross-entered in the Mounted and In-Hand divisions. Horses are not allowed within 100 feet of any obstacle in advance of their ride. No schooling of obstacles is permitted at any time. Competition courses will be made available by July 1 on the T.I.P. website, [www.tjctip.com](http://www.tjctip.com). Maximum course time will be 7 minutes unless posted otherwise at the event. Equipment: Equipment may be either English or Western. Wraps, protective boots, and hoof boots are permitted.

Mounted Division: Horses must wear a saddle and a headstall with reins. Riding bareback or bridleless is prohibited. Martingales, tie-downs, or any mechanism that restrains the head or neck are prohibited. Horses may be ridden in a snaffle bit, bosal or hackamore regardless of age. Riders shall ride horses in this tack with two hands. Combination bits are prohibited. Riders riding in a shank bit will do so with one hand only. Two-handed riding in a shank bit will result in deductions from the score per obstacle element. Shank bits must be used with a curb chain or strap. Horses may be ridden in a bitless bridle.

In-Hand Division: Properly fitted halter (leather preferred) and lead, with or without a chain. If a chain is used, it may be fitted under the chin ONLY – chain may not be run through the horse's mouth or over the horse's nose. Horse may also be shown in a suitable bridle fitting the rules set forth under the Mounted Division section.

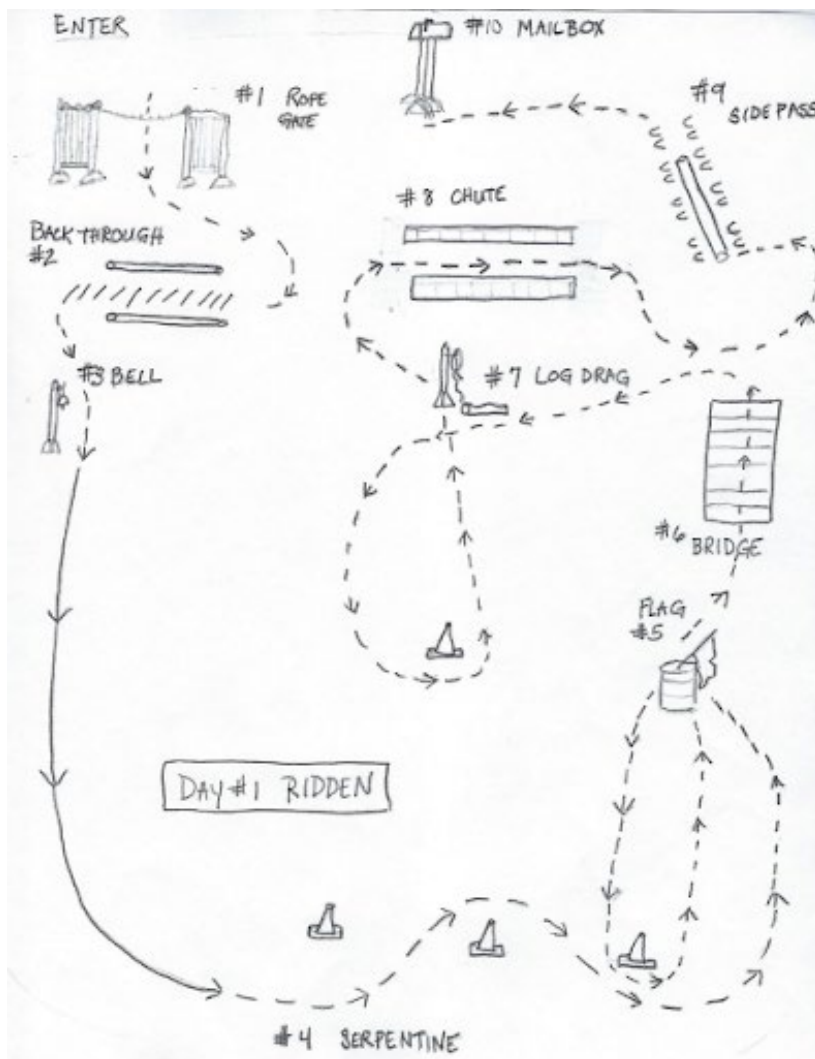

- 702 Mounted Division: The course will be designed to require each horse to show all three gaits (W/J/L) over a course of approximately eight to ten obstacles.

# T.I.P. PERFORMANCE AWARDS:

## THE THOROUGHBRED INCENTIVE PROGRAM'S YEAR END "POINTS" PROGRAM

The T.I.P. Performance Awards are the year-end, self-reported competition awards of The Jockey Club Thoroughbred Incentive Program. The Performance Awards are **completely self-reported** by the Thoroughbred's owner or rider based on their participation in all shows and competitions. The awards recognize the Thoroughbreds accumulating the most points in each of the 16 categories and nearly 100 divisions, as well as Junior Riders and horses adopted from accredited aftercare organizations. To encourage the retraining of Thoroughbreds into other disciplines upon completion of their racing career, three categories and 12 divisions are limited to horses in their first two years off the racetrack.

The Performance Award Year is December 1 through November 30. Thoroughbreds accumulate points at all horse shows, horse trials, and other horse events. Shows must be recognized by an international, national, state or local organization and must be open to all participants. Horse shows do not have to offer T.I.P. awards to be included in the Performance Awards. All results and miles reported by owners and riders must be supported by horse show or competition results and will be verified by T.I.P. Only verified points and miles will be counted toward the Performance Awards. If results or mileage cannot be verified, the points will not be counted toward the award.

IT IS THE SUBMITTING OWNER'S OR RIDER'S RESPONSIBILITY TO PROVIDE VERIFICATION.

Performance Award points can be submitted electronically through your online account at [www.tjctip.com](http://www.tjctip.com) or on paper forms. All forms and supporting documentation must be submitted by December 20.

# USEA YOUNG EVENT HORSE CHAMPIONSHIPS

---

The United States Eventing Association (USEA) Young Event Horse (YEH) Program was first established in 2004 as an eventing talent search. Much like similar programs in Europe, the YEH program was designed to identify young horses that possess the talent and disposition to, with proper training, excel at the uppermost levels of the sport. The ultimate goal of the program is to distinguish horses with the potential to compete at the three- and four-star levels, but many fine horses that excel at the lower levels are also showcased by the program.

The YEH program provides an opportunity for breeders and owners to exhibit the potential of their young horses while encouraging the breeding and development of top event horses for the future. The program rewards horses who are educated and prepared in a correct and progressive manner. At Championships, young horses are also evaluated on their conformation in addition to the dressage test and jumping/galloping/general impression phase. To learn more about the YEH program, visit [www.useventing.com/competitions/YEH](http://www.useventing.com/competitions/YEH)

The purpose of the YEH program fits well with T.I.P.'s goal of encouraging the retraining of Thoroughbreds upon completion of their racing or breeding careers. The education and preparation Thoroughbreds receive at the racetrack and in the sales ring contributes to their success in the program's evaluation. Recognizing that the YEH Program offers a fantastic platform to promote their common goal with the USEA, The Jockey Club's Thoroughbred Incentive Program (T.I.P.) offers T.I.P. high point awards at the YEH Championships.

# DIGITAL CERTIFICATES OF FOAL REGISTRATION

Beginning with foal crop of 2018, The Jockey Club began issuing digital Certificates of Foal Registration instead of paper certificates. In order to receive a digital Certificate of Foal Registration from The Jockey Club or any other individual, race track or sales company, one must have an active Jockey Club Interactive Registration (IR) account. If you have a T.I.P. number for your horse(s), you already have an IR account and will be able to receive and assign digital certificates. If you do not have an account, simply sign up at [www.registry.jockeyclub.com](http://www.registry.jockeyclub.com). The process is easy and the account is free.

To determine the current certificate manager/holder for any Thoroughbred foaled in 2018 or after, users will log on and check REGISTRATION STATUS from the homepage of your IR account. To receive a Certificate of Foal Registration, the current certificate manager must assign the certificate from their IR account to the new owner's IR account. The process is easily accomplished in minutes from your smart phone, tablet, laptop or PC with an internet connection. Once completed, the new certificate manager receives an email from Registry Alert, notifying them of the assignment. When you log on to your Jockey Club Interactive Registration account, you will see an option under DIGITAL CERTIFICATES labeled CERTIFICATE MANAGEMENT that will display the certificates currently assigned to your Interactive Registration account. Digital Certificates are not available for horses foaled prior to 2018.

For purposes of eligibility for all T.I.P. classes and awards, a “Thoroughbred” is defined as any horse that has been registered with The Jockey Club or a foreign Thoroughbred stud book recognized by The Jockey Club. In order to participate in a T.I.P. class or be eligible for a T.I.P. award, owners and riders must obtain a T.I.P. Number.

## THOROUGHBRED RECREATIONAL RIDING INCENTIVE PROGRAM

Get rewarded for riding your Thoroughbred! The Thoroughbred Recreational Riding Incentive Program (TRRIP) is designed to recognize and reward Thoroughbred owners and riders who enjoy recreational riding or driving on a regular basis. All riding or driving must be done on trails (including competitive trail rides), endurance rides or other organized group rides (including hunts and hunter paces). Arena riding, lesson hours and show hours are not eligible. For more information: [www.tjctip.com/About/TBRRRI](http://www.tjctip.com/About/TBRRRI)
