- I certify that to the best of my knowledge I am free of COVID 19, and have been following the guidelines set forth by the CDC and the governing agencies of my primary place of residence. I have not experienced any of the COVID 19 symptoms, tested positive or been in contact with someone who has tested positive for COVID 19 in the last 14 days.
- I certify that at least once each day of the horse show I am monitoring my temperature. If my temperature is over 99.5 F I will not enter the showgrounds.
- I understand that the horse show will operate as a “Show and Go” experience and that I will not spend extra time on the grounds before and after competing.
- I understand that all rules and other requirements are in effect from the date horses begin shipping onto show grounds until the show concludes, regardless of when competition is running.
- I understand that the stable area will be restricted to essential staff only.
- I agree to have all my necessary personal riding equipment and supplies (e.g. helmet, gloves, boots, etc.) with me and not keep these items in the stable area.
- I agree to wear a face covering at all times, except when riding. While riding I will maintain social distancing. Failure to wear a face covering may result in immediately being removed from the grounds until I am in compliance. A second offense will result in being scratched from the horse show and no refund given.
- I will follow all rules regarding arenas and authorized riding arenas and times.
- I understand that classes will not be held for exhibitors who are not ready or who have conflicts. My trainer and I are responsible for working out conflicts well in advance.
- Other than this COVID-19 Policy and Agreement, all paperwork and payments must be submitted to the show in advance of the show, including all document signatures. When I arrive at the horse show, the only paperwork activity will be turning in this COVID-19 Policy and Agreement and picking up my number from the show office. I understand that only one person associated with the horse will be allowed into the horse show office.
- I understand that on the first day I arrive at the show, I will park in the designated area and go directly to the show office to check in, get my number, and get my wristband(s).
- I understand that everyone involved with the show will be given a wristband, which must be worn at all times. Failure to wear the wristband, share it with others, or not adhere to the access allowed by my particular wristband may result in immediately being removed from the grounds until I am in compliance. A second offense will result in being scratched from the horse show and no refund given.
